

# START YOUR BUSINESS

TIPS BY: GLABYBLAB

## TIPS 1

Understand your target audience and analyze competitors to identify gaps in the market.

## TIPS 2

- Outline your business goals, strategies, and financial projections to guide your journey.

## TIPS 3

Decide between options like LLC, sole proprietorship, or corporation based on your business needs.

## TIPS 4

- Develop a professional website and utilize social media to connect with your audience and promote your brand.
